Karen: Did you find your sub?
Karen: And how are the bugs?
me: yep, and haven't really seen any bugs today
Karen: Were there just a lot when Gregg showed up?
me: no, there were just a couple
me: he's really, really afraid of bugs
me: Aaron Barr got fired
Karen: Interesting guy! Did you all have fun with your dad last night?

Karen: I thought Aaron Barr already got fired?
me: no, from his new job
Karen: OMG how funny!
